ROCK SOLID ADMINISTRATIVE SERVICES
2008 SPEAKING/MINISTRY EXPEDITION**

HEAR HIS TESTIMONY TO THE GLORY OF GOD

AN INCREDIBLE TESTIMONY of dying, experiencing the reality of heaven and hell, penetrating the realm of the spirit and miraculous healing.

During the summer of 2005, Pastor Sanderbeck unexpectedly died from a heart attack brought about by Lyme disease. Greeted by 3 angels, he saw the entrance to hell and walked in the courtyards of heaven. He was raised from the dead and has been miraculously restored to complete health and wholeness. Through that experience, his life has been forever changed and this experience will change everyone who hears.
